**4. To discuss the contents of the first draft of the Cycle Route Feasibility Study received from Sustrans on 8<sup>th</sup> July 2015:**

The Chairman read out the contents of the whole Cycle Study. The Clerk read out the contents of Councillor Watson's written opinion as she was unable to be present. The Study was discussed in detail.

**RESOLVED:** that the Council is dissatisfied with the Study because:

- it does not fulfil the criteria of the original proposals dated April 2014 and subsequent grant application;
- the issues of cycling and walking within Lissett and Ulrome Parish have not been addressed;
- the first draft was too late to be included within the Leader+ funding programme this year should the Parish Council wish to pursue any part of the study;
- the first draft was received considerably over the grant deadline set by ERYC;
- the report does not represent value for money.

The Clerk will state the Council's dissatisfaction and reasons to Sustrans with a copy to be provided to Ward Councillor Jane Evison and Laura Burley at ERYC.

Signed.....*G Daly*..... Date .....5<sup>th</sup> August 2015.....
